# REPORT

OF THE

## INSURANCE COMMISSIONER.

---

STATE OF NEW HAMPSHIRE.

INSURANCE DEPARTMENT,

CONCORD, September 1, 1911.

*To His Excellency the Governor:*

In compliance with the requirements of law, I have the honor to submit this sixtieth annual report of the insurance department, containing a synopsis of the annual statements of all insurance companies, fraternal beneficiary associations and other corporations under its supervision, authorized to transact business in the state during the year 1910, together with the usual statistical tables, and a detailed financial statement of said department for the year ending August 31, 1911.

### FIRE INSURANCE.

Owing to the absence of any extensive conflagration in the state, and to the comparatively small number of large fires within its limits during 1910, that year was a season of prosperity for the fire companies doing business here and of good fortune to property owners and the public as well, the total losses for the year being more than \$155,000 less than those for the year preceding,—a very substantial reduction in fire waste.

CHANGES DURING THE YEAR ENDING AUGUST 31, 1911.

*Admitted.*

Pawtucket Mutual of Pawtucket, R. I., Massachusetts Fire and Marine of Boston, Swiss National of Switzerland, Union and Phenix Espagnol of Spain, Swiss Reinsurance of Switzerland, Balkan National of Bulgaria,

*Be it enacted by the Senate and House of Representatives in General Court convened:*

SECTION 1. Chapter 81 of the session Laws of 1895, as amended in the first section thereof by chapter 38 of the session Laws of 1897, is hereby further amended by renumbering sections 2 and 3 of said chapter 81 so as to make the same sections 4 and 5 thereof respectively, and by inserting between section 1 thereof and said renumbered sections the following new sections 2 and 3: SECT. 2. Of the trust fund or reserve required to be accumulated and maintained by the preceding section, such corporation shall deposit in trust with the treasurer of this state before being licensed as aforesaid, and shall keep on deposit with such treasurer, securities at least equal in value to the amount which one assessment or mortuary call upon its certificate or policy-holders would produce; but the corporation shall have at all times, on approval of the insurance commissioner, the right to exchange any part of said securities for others of like amount and character. This section shall not apply to any corporation which produces evidence satisfactory to the insurance commissioner that it is required by the law of its home state or country to keep on deposit, and that it has deposited, securities to a like amount with the treasurer or other public fiscal officer of such state or country.

SECT. 3. No corporation organized and doing business in its home state or country as a fraternal beneficiary corporation or association, but not entitled to a license to transact business as a fraternal beneficiary association in this state under the laws of this state, shall be licensed to transact business in this state as an assessment insurance company under the provisions of this act.

SECT. 2. All acts and parts of acts inconsistent herewith are hereby repealed, and this act shall take effect upon its passage except as to corporations now duly licensed to transact an assessment insurance business in this state. As to such corporations it shall take effect at the expiration of their existing licenses.

Approved February 22, 1911.

## CHAPTER 28, LAWS OF 1911.

AN ACT in Relation to the Establishment and Maintenance of Safety Funds by Fire Insurance Companies.

*Be it enacted by the Senate and House of Representatives in General Court convened:*

SECTION 1. Any domestic fire insurance company may create and maintain a guaranty surplus fund and a special reserve fund by complying with the provisions of this act.

SECT. 2. Any such company desiring to create such funds shall file with the insurance commissioner of the state a copy of a resolution adopted by its board of directors at a regular meeting thereof, declaring the intention of such company to create such funds and to do business under the provisions of this act.

SECT. 3. The insurance commissioner shall thereupon make or cause to be made an examination of such company, and he shall issue a certificate of the result thereof, which shall particularly set forth the amount of surplus funds held by such company at the date of such examination, the whole or any part of which, under the provisions of this act, may be equally divided between and set apart to constitute such guaranty surplus fund and such special reserve fund.

SECT. 4. Every policy issued by such company after the filing of such certificate by the insurance commissioner, except such as are then in the hands of agents, shall have printed thereon a statement that such policy is issued under and in pursuance of the laws of the State of New Hampshire relating to guaranty surplus and special reserve funds, and every such policy shall be deemed to have been issued and received subject to the provisions of this act.

SECT. 5. After the date of filing any such resolution with the insurance commissioner such company shall not make or declare or pay in any form any dividend amounting to more than seven per centum per annum on the total capital stock of the company, until after its guaranty surplus fund and its special reserve fund shall have together accumulated to an amount equal to its capital; and any part of its surplus funds above such annual

dividend may be equally divided between and set apart to constitute such guaranty surplus fund and such special reserve fund, which funds shall be held and used as hereinafter provided, and not otherwise. Any such company which shall declare or pay any dividend contrary to the provisions of this section shall be liable to be proceeded against by the attorney-general for its dissolution.

SECT. 6. Whenever such company shall notify the insurance commissioner that it has fulfilled the foregoing requirements, and that its guaranty surplus fund and its special reserve fund, taken together, equal its capital, the insurance commissioner shall make or cause to be made an examination of such company and shall issue his certificate of the result thereof, and if he shall find that said funds, taken together, are equal to its capital, such company may thereafter continue to add to such funds equally out of any subsequent profits.

SECT. 7. Such guaranty surplus fund shall be held and invested by such company in the same manner as its capital and surplus may be held and invested, and shall be liable and applicable in the same manner as the capital to the payment generally of the losses of such company.

SECT. 8. Such special reserve fund shall be invested by such company in the same manner as its capital and surplus may be invested, and the securities shall be deposited from time to time, as the funds shall accumulate and be invested with the state treasurer, who shall permit such company to change the securities so deposited by substituting for those withdrawn others of equal amount and value, and to collect and receive the interest or dividends upon such securities as the same shall accrue. Such special reserve fund shall be deemed a fund constituted by the stockholders to protect such company and its policy-holders other than claimants for losses or otherwise already existing or then accrued, in case of any extraordinary conflagration or conflagrations, and shall not be regarded as any part or portion of the assets of such company so as to be or render the same liable for any claim for loss by fire or otherwise, except as herein provided.

SECT. 9. In ascertaining the net surplus of any such company for the purpose of making a division thereof between such surplus guaranty fund and such special reserve fund, until such funds shall together amount to a sum equal to its capital, there shall be deducted from its gross assets, including for this purpose the amount of its special reserve fund, the sum of the following items: 1. The amount of all outstanding claims. 2. The amount for which it shall be liable for unearned premiums upon its unexpired policies, which amount shall at least equal one half of the premiums received on policies having one year or less to run from date of policy and a pro rata proportion of the premiums received on policies having more than one year to run from date of policy. 3. The amount of its guaranty surplus fund and of its special reserve fund. 4. The amount

of its capital. 5. Interest at the rate of ten per centum per annum upon its capital for whatever time shall have elapsed since the last preceding cash dividend. The balance shall constitute the net surplus of such company, any portion of which shall be subject to equal division between the two funds herein provided for. The policy registers, insurance maps, books of record and account and other books in use by such company in its business, and its policy and other blanks, office furniture, fixtures and supplies are not to be considered as assets, but shall be held by the company for its use in the protection of its policy-holders.

SECT. 10. Whenever the claims upon such company shall exceed the amount of its capital stock and of the guaranty surplus fund provided for by this act, such company shall notify the insurance commissioner of the fact, who shall then make or cause to be made an examination of such company, and shall issue his certificate of the result thereof, showing the amount of capital, of guaranty surplus fund, of special reserve fund, of reinsurance liability and of all other assets; and upon his issuing such certificate such special reserve fund shall be immediately held to protect all policy-holders of said company other than such as are claimants upon it at the date of such certificate, and such special reserve fund, together with other assets, certified by the insurance commissioner as equal in value to the amount of the unearned premiums of such company to be ascertained as hereinbefore provided, shall constitute the capital and assets of such company for the protection of policy-holders other than such claimants and for the further conduct of its business. Upon the payment to claimants who are such at the date of such certificate of the amounts to which they are respectively entitled, in proportion to their several claims, of the full sum of the capital of such company, of its guaranty surplus fund and of its other assets, excepting only such special reserve fund and an amount equal to its liability for unearned premiums as certified by the insurance commissioner, such company shall be forever discharged from any and all further liability to such claimants and to each of them. Upon the issue of such certificate by the insurance commissioner and upon the demand of such company and the filing with him of a copy of such certificate, the state treasurer shall transfer to it all such securities as shall have been deposited with him by such company as such special reserve fund. If the amount of such special reserve fund be less than fifty per centum of the full amount of the capital of such company, a requisition shall be issued by the insurance commissioner upon the stockholders, to make up such capital to that proportion of its full amount; *provided* that any capital so impaired shall be made up at least to the sum of two hundred thousand dollars, and in case such company, after such requisition, shall fail to make up its capital at least to said sum of two hundred thousand dollars, as therein directed, such special reserve fund shall still be held as security and liable for any and all losses occur-

ring upon policies of such company. *Provided, however,* that if any amount greater than a sum equal to one half of its capital stock shall have been deposited by such company with the state treasurer under the provisions of this act, he shall retain of such securities an amount equal to one half of what amount he shall so hold thereof in excess of a sum equal to one half of such capital stock, and he shall transfer the balance thereof to such company as herein provided, and the amount so transferred to such company shall from the time of such transfer, *provided* the amount thereof shall not be less than two hundred thousand dollars, constitute the capital stock of such company for the further conduct of its business as hereinbefore provided, and the securities so retained shall be regarded as the special reserve fund of such company, to which additions may be made as herein provided, and shall be held in the same manner and for the same purpose and under the same conditions as the original special reserve fund of such company was held.

SECT. 11. Such company shall, in its annual statement to the insurance commissioner, set forth the amount of its special reserve fund and of its guaranty surplus fund. If, in consequence of the payment of losses by fires, or the expenses of the business, or of the interest or dividends payable under the provisions of this act to stockholders, or from any cause, the guaranty surplus fund shall be reduced to an amount below the amount of the special reserve fund, the directors of such company shall have the right, at their option, at the time of making any division of the surplus, as herein provided, to carry a larger sum to the guaranty surplus fund than to the special reserve fund, but this privilege shall cease when the two funds shall have been made equal in amount.

SECT. 12. If at any time after such a special reserve fund shall have been accumulated by any company the directors of such company shall present satisfactory evidence to the insurance commissioner that the capital of such company has become impaired he shall order the directors to call upon the stockholders to make up such impairment, and the board of directors may thereupon require the necessary payment by the stockholders to make good the whole of such impairment, or they may apply for that purpose the whole or any part of the special reserve fund and require of the stockholders payment of such amount as may be necessary to make up the balance of such impairment not made up out of the special reserve fund. The stock of every stockholder shall be pledged and liable for the amount assessed upon him to make up such impairment, either in whole or in part and in case any stockholder refuses or fails to pay such assessment, the stock standing in his name may be sold at public auction, after thirty days' notice, in such manner as the directors may provide. If the board of directors elect to make good such impairment or any part thereof out of the

special reserve fund, the state treasurer shall transfer to such company, upon request of such board, so much of such special reserve fund as may be necessary for the purpose.

SECT. 13. Whenever the insurance commissioner shall make or cause to be made an examination of any such company under any of the provisions of this act, he shall issue his certificate of the results thereof in duplicate. One of such certificates shall be given to such company and the other shall be filed in the insurance department. Any official certificate of the insurance commissioner herein provided for shall be binding and conclusive upon all parties interested in such company, whether as stockholders, policyholders or creditors.

SECT. 14. All acts and parts of acts inconsistent with this act are hereby repealed.

SECT. 15. This act shall take effect upon its passage.

Approved February 22, 1911.

#### CHAPTER 61, LAWS OF 1911.

AN ACT to amend Chapter 169, Section 7, of the Public Statutes, as amended by Chapter 89 of the Session Laws of 1907, relating to Insurance Agents and Brokers.

*Be it enacted by the Senate and House of Representatives in General Court convened:*

SECTION 1. Chapter 169, section 7, of the Public Statutes, as amended by chapter 89 of the session Laws of 1907, is hereby amended by adding at the end thereof the following: Nothing in this act shall be construed to prohibit the granting of brokers' licenses without regard to place of residence, so said section as amended shall read:

SECT. 7. The agents of such companies shall be residents of the state. No officer or agent thereof shall act or aid in any manner in the negotiation of any insurance with such company until he shall have procured from the insurance commissioner a license so to do. The license shall state in substance that the company is authorized to transact business in this state, and that the person named therein is the constituted agent of the company for that purpose. Nothing in this act shall be construed to prohibit the granting of brokers' licenses without regard to place of residence.

SECT. 2. All acts and parts of acts inconsistent with this act are hereby repealed, and this act shall take effect upon its passage.

Approved March 17, 1911.

## CHAPTER 87, LAWS OF 1911.

AN ACT relating to Investments by Insurance Companies.

*Be it Enacted by the Senate and House of Representatives in General Court convened:*

SECTION 1. No insurance company organized under the laws of this state shall invest its funds in or loan them on its own stock or the stock of any other company carrying on the same kind of insurance business, or the stock of any corporation owning and holding stocks of any insurance company or companies carrying on the same kind of insurance business, the aggregate value of which shall exceed one tenth of the paid-up capital of the corporation so owning and holding them.

SECT. 2. All shares of stock held by any such insurance company when this act shall take effect, the investment in or loan on which by such insurance company is prohibited by the provisions of this act, shall be sold and disposed of within one year from the time when this act shall take effect and shall not be held for a longer period unless the insurance commissioner shall extend the time for such sale and disposition for the reason that in his judgment the interests of the company will suffer materially by a forced sale of the said property. A record of such extension shall be made by the insurance commissioner which shall state the time of the extension, and in that event the sale of said property may be made at any time before the expiration of the time of such extension.

SECT. 3. This act shall take effect upon its passage.

Approved March 30, 1911.

## CHAPTER 131, LAWS OF 1911.

AN ACT relating to the Duties of the State Treasurer.

*Be it Enacted by the Senate and House of Representatives in General Court convened:*

SECTION 1. In all cases in which the laws of any other state of the United States now require and may hereafter require that the insurance companies incorporated by the laws of other states shall deposit with some officer of the state in which such insurance company is incorporated, stocks or other securities in trust or for the benefit of policy-holders of such companies as a condition for doing business in such other states, the state treasurer shall receive from any insurance company incorporated under the laws of this state stocks or other securities, in such amount as may be required by the laws of such other state or states, on deposit in trust for the benefit of the policy-holders of such company.

SECT. 2. This act shall take effect upon its passage.

Approved April 12, 1911.

## CHAPTER 180, LAWS OF 1911.

AN ACT in Amendment of Chapter 86 of the Session Laws of 1899 entitled  
“An Act Relating to Reinsurance and the Transaction of Business by  
Fire Insurance Companies or Associations, otherwise than through Resident Agents.”

*Be it Enacted by the Senate and House of Representatives in General Court convened:*

SECTION 1. That chapter 86 of the Session Laws of 1899 is hereby amended by striking out the whole of section 1 of said chapter and inserting in place thereof the following: SECTION 1. No insurance company or surety company not incorporated under the laws of this state, authorized to transact business herein, shall make, write, place, or cause to be made, written or placed, any policy or contract of insurance or surety-ship effective in this state except by an agent who is a resident of this state, regularly commissioned and licensed to transact business herein, and no such company shall by its officers, agents or managers, not resident of this state, write policies or contracts of insurance or surety-ship effective within the state upon blanks previously countersigned by an agent in this state. Life insurance companies and mutual fire insurance companies writing all policies at their home offices, are excepted.

SECT. 2. This act shall take effect upon its passage.

Approved April 15, 1911.

## CHAPTER 168, LAWS OF 1911.

AN ACT authorizing the Insurance Commissioner to license Persons to procure Fire Insurance in Unlicensed Companies in Certain Cases.

*Be it Enacted by the Senate and House of Representatives in General Court convened:*

SECTION 1. That the insurance commissioner, upon the annual payment of a fee of two dollars for the use of the state, may issue licenses to residents of the state, subject to revocation at any time, permitting the person named therein to procure policies of fire insurance on property in this state in foreign insurance companies not authorized to transact business in this state, but which are duly authorized to do business in some state having an insurance commissioner. All such licenses shall expire annually on the thirty-first day of March.

SECT. 2. Every such licensee shall on or before the tenth day of each

month execute and file with the insurance commissioner a statement under oath covering all insurance policies procured by him under his said license during the calendar month next preceding, giving the name of the company issuing each of said policies, the name and residence of the insured and the amount, term and premium of each policy and the kind of property insured thereby, and that he was unable to procure in companies admitted to do business in the state the amount of insurance necessary to protect said property. *Provided*, that such licensed person shall not offer any portion of such insurance to any company which is not possessed of cash assets amounting to at least one hundred thousand dollars, which shall be determined by the insurance commissioner, or one which has within the preceding twelve months been in an impaired condition. And no person, unless he shall be so licensed, shall act or aid in any manner in placing fire insurance on property other than his own in this state in any company which is not duly authorized to transact business in this state.

SECT. 3. Each person so licensed shall keep a separate account of the business done under the license, a certified copy of which account he shall forthwith file with the insurance commissioner; showing the exact amount of such insurance placed for any person, firm or corporation, the gross premium charged thereon, the companies in which the same is placed, the date of the policies and the term thereof, and he shall also file a report in the same detail of all such policies cancelled and the gross return premium thereon.

SECT. 4. He shall file with the insurance commissioner, in January of each year, a sworn statement of the gross premiums charged for insurance procured or placed, and the gross return premiums on such insurance cancelled under such license during the year ending on the thirty-first day of December next preceding, and at the time of filing such statement shall pay to the state treasurer a sum equal to two per cent. of such gross premiums less such return premiums reported.

SECT. 5. The insurance commissioner shall have authority at all times to investigate any alleged violations of this act and should he find any to exist he shall report the same to the attorney-general, who shall take proceedings to collect all fees and taxes which may be due from said licensee; and any person violating or failing to comply with any of the provisions of this act shall be liable to pay a fine of not exceeding one hundred dollars for each violation thereof, and shall forfeit his license to do business under this act for a period of one year.

SECT. 6. Section 15 of chapter 169 of the Public Statutes and all other acts and parts of acts inconsistent with this act are hereby repealed.

Approved April 15, 1911.

Recent investigation having disclosed the use of highly objectionable methods by certain companies engaged in accident and health insurance on the industrial plan in the adjustment and settlement of the claims of their policy-holders, I recommend the enactment of a law making it unlawful for any person holding a profit-sharing contract with an insurance company to act in this state in adjusting the claim of any policy-holder or his beneficiary against such company. The injustice and impropriety of offering a reward to adjusting agents for sealing and cutting down the claims of policy-holders are too apparent to admit of argument, and the practice should be abolished by statute.

In the meantime a practice so prejudicial to the interests of policy-holders would, if continued, seem to warrant the revocation of the license of a company making use of it.

It is probable that a bill providing for either a standard form of accident and health policy, or standard provisions therefor, will soon be prepared and recommended by the National Convention of Insurance Commissioners for enactment by the legislatures of the several states.

GEORGE H. ADAMS,

*Insurance Commissioner.*

## REMARKS.

---

The present report, like that for the year 1909-10, exhibits in detail, the receipts of the department from all sources, and also all disbursements of funds over which the treasurer has exclusive control, such as the corporation taxes distributed to the towns and the principal and interest of the state debt.

### RAILROAD TAXES.

Nearly all the railroad corporations paid the taxes assessed upon them for the years 1909 and 1910 under protest, and proceedings for an abatement of the same are still pending with the prospect of an adjustment the coming year.

The Grand Trunk Railway paid its tax for 1909 as assessed, but refused to pay the tax of 1910 in full, but has paid \$10,000, leaving \$27,044 to be adjusted. Whenever it is determined what abatement, if any, shall be allowed, the balance of the state's claim will be subject to interest at 10% per annum from October 15, 1910.

In apportioning the railroad tax of 1910 to the towns, it was assumed that the tax on the Grand Trunk would be paid as required by law, consequently, the towns on the line of the Grand Trunk have received their proportion of the tax as assessed, and the matter will require adjustment when it shall be determined what (if any) abatement should be allowed.

In apportioning the railroad taxes for the year 1911 to the towns, the abatements already allowed by statute and agreement of the parties, from the assessments for the year 1909 which were paid as assessed and duly apportioned, must be adjusted with the towns which have received more

than they were entitled to by their proportion of the amount of abatements allowed.

This will involve considerable labor and probably delay the settlement with the towns beyond the usual date.

The treasurer will endeavor to make the computations, and send the customary statements to the towns at the earliest date possible, and requests that town officials be patient under the unavoidable delay.

#### TELEPHONE TAXES.

In the treasurer's report September 1, 1910, items of taxes on telephone companies for the year 1909 amounting to \$250.08 were uncollected; \$96.21 has been collected the present year.

The total assessment on telephone companies

for 1910 was . . . . .	\$31,564.68
Amount collected . . . . .	31,162.30
Balance uncollected . . . . .	<u>\$402.38</u>

A part of the above sum is undoubtedly collectible, but the treasurer has been unable to locate some of the companies upon which taxes were assessed and certified to him by the Board of Equalization.

*Solon A. Carter*  
Treasurer.

## AUDITOR'S REPORT.

---

CONCORD, N. H., October 2, 1911.

*To his Excellency the Governor and the Honorable Council:*

In compliance with Section 10, Chapter 75, Laws of 1909, requiring the State Auditor to examine the books, accounts, and vouchers of the State Treasurer, I herewith submit the following report of the result of such examination.

I find that all taxes assessed have been collected with the exception of the sum of \$27,044.00, the balance of assessment against the Grand Trunk Railroad for 1910; \$153.87 uncollected against miscellaneous telephone companies in 1909; \$402.38 uncollected against miscellaneous telephone companies in 1910; \$79.23 uncollected against the Tarbox Express Company; \$41.16 uncollected against the Telepost Company.

All monies received by the State Treasurer have been duly accounted for. The disbursements have been properly audited and voucher checks exhibited therefor, and the cash balance at the close of the business year, August 31, 1911, has been verified by cash on hand and cash balance certified to by bank statements.

The summary of receipts and payments for the fiscal year ending August 31, 1911, follows:

STATE OF NEW HAMPSHIRE

REPORT OF  
STATE AUDITOR

FOR THE YEAR ENDING  
AUGUST 31, 1911

---

CONCORD

1911

PRINTED BY R. W. MUSGROVE, BRISTOL

STATE OF NEW HAMPSHIRE

STATE AUDITOR'S REPORT

CONCORD, N. H., September 1, 1911.

*To his Excellency the Governor and the Honorable Council:*

In accordance with the provisions of Ch. 75, Laws 1909, creating the department of State Auditor, I herewith submit this report showing the financial transactions of the State for the fiscal year ending August 31, 1911.

The method of bookkeeping in vogue in the Auditor's office shows in detail all receipts and expenditures of the State classified under proper accounts. The information embraced in said books is at all times available for public information. For the purposes of this report, however, receipts will be shown only in summary, while cash expenditures will be exhibited in detail. Cash receipts are shown in detail in the report of the State Treasurer, while cash expenditures are there shown in summary. By this method one department reports one class of the State's transactions in detail and the other department reports in detail the opposite class of transactions, and this detailed report in each instance is in agreement with the totals shown in the report of the other department.

The method avoids duplication of work and saves time and expense.

Respectfully submitted,

F. A. MUSGROVE,  
*State Auditor.*
